**UNDERGRADUATE GRADING POLICY**  
**FROM FALL 1968 TO SPRING 1971**

The college was located at Planting Fields, Oyster Bay, NY 11771.) Courses that are successfully passed are recorded on the students official transcript with a grade of P. Courses attempted but not passed or from which the student withdrew are not recorded on the official transcript. Letter grades are not officially used. Though instructors may unofficially report to students a letter grade to help them evaluate the quality of their work. Written evaluations are also occasionally used to help explain the student(s) performance for his/her interest and improvement. Honor points, grade-point averages (GPA), and class standing are not computed.

**FROM FALL 1971 TO SPRING 1974**

The college was relocated to its present site at Old Westbury, NY 11568.) Courses that were successfully passed are recorded on the student's official transcript with a grade of CR. Courses that were attempted and were not completed are recorded on the transcript.

One of three kinds of evaluation was used: 1) a grid-questionnaire wherein the instructor checked appropriate boxes, 2) a written evaluation consisting of a prose statement describing and judging the student's work; or 3) a letter grade of A, B, C, D, or F. Without plus or minus signs. These back-up elements are not part of the official transcript, but are contained in the student's academic folder for the student's self-evaluation and use. Honor points, grade-point averages, and class standing are not computed.

**FROM FALL 1974 TO SUMMER 1984**

The grading system consisted of: CR (Credit), NC (No Credit), I (Incomplete), W (Withdrawn), and letter grades of A, A-, B+, B, B-, C+, C, C-, D+, D, D-, and F. All courses attempted are recorded on the official transcript with one of the grades listed above.

In the case of CR and NC grades, the instructor submitted a Student Evaluation Form on which either a grid-questionnaire or a written evaluation of the student's work was completed. These back-up elements are not part of the official transcript but are contained in the student's academic folder for the student's self-evaluation and use. Honor points, GPA, and class standing are not computed.

**FROM FALL 1984 TO SPRING 1996**

The grading system in use since Fall 1974 continues in effect. In addition, quality points and GPA are computed for all courses taken at Old Westbury from the Fall 1984 semester onward. CPA calculations are not retroactive. Class standing is not computed.

Courses which have been repeated and may not be taken more than once for credit may be removed from the GPA calculation. If those courses are removed from the GPA calculation, an "E" will appear to the left of the grade to designate this. An "I" will appear to the right of a grade to designate courses which have been repeated, and are used in the calculation of the GPA.

**FROM FALL 1996 TO THE PRESENT**

The grading system in use since Spring 1996 continues in effect. In addition, the grades of NR (Not Reported) and WN (Withdrawn Never Attended), both of which are not computed in the CPA calculations, are included in the grading system.

The following quality points are assigned to letter grades:

| FALL 1984 TO SPRING 1996 |           | FALL 1996 TO PRESENT |           |
|--------------------------|-----------|----------------------|-----------|
| A = 4.00                 | C = 2.00  | A = 4.00             | C = 2.00  |
| A- = 3.75                | C- = 1.75 | A- = 3.70            | C- = 1.70 |
| B+ = 3.50                | D = 1.50  | B+ = 3.30            | D+ = 1.30 |
| B = 3.00                 | D- = 1.00 | B = 3.00             | D = 1.00  |
| B- = 2.75                | D- = 0.75 | B- = 2.70            | D- = 0.70 |
| C+ = 2.50                | F = 0.00  | C+ = 2.30            | F = 0.00  |

**COURSE CODING**

The program letter indicator consists of the initials that identify the program sponsoring the course. No letters were used before Fall 1972; a single-letter indicator was used in 1972-1973, and a double-letter code beginning in Fall 1973. Conversion to an online, database system in Fall 1983 resulted in changing the course coding system from the three-digit label transcript to the four-digit, online computer transcript.
